The PARTNERS

We are proud to collaborate with these organisations:

FRANCE

SLOVAKIA

SPAIN

GREECE

Türkiye

FINLAND

The primary goal of the project is to enhance the skills of youth workers, enabling them to offer improved career guidance and support to young individuals, especially NEETs, guiding them towards professions that align with their skills.

Our aim is to integrate our educational content into the curricula of partner organizations and other training providers. We want to equip young people with the skills they need for successful careers.

We're pursuing a variety of objectives to empower young individuals and organizations alike.

Structured Learning Materials:

Our program is dedicated to creating a structured set of competencies and educational resources based on EU standards.

Comprehensive Career Guidance:

We are developing a comprehensive guide for introducing sector-based and transversal skills through collaborative activities.

Interactive Learning Platform:

We're building an interactive e-learning Platform enriched with Open Educational Resources and an Insight Bank.
